

Minutes – Housing Master Plan Sub-Committee

September 30, 2008

Present:

Jack O’Sullivan

Scott Pope

Alan Croteau

Bill Regan

Ed. Tinker – Interim Director of Planning & Development

Bernard Folta – Visitor

Absent: Jacqui Guillette

The meeting started at 7:00 PM.

Introduction of members.

Shared email addresses and business cards as available. Discussed having Scott Pope chair the sub-committee. Discussed how we would collect data for the housing portion of the master plan.

Alan asked if we could get a spreadsheet of the City Assessing office (or through vision appraisals) data on the entire housing stock.

Alan offered to compile historical housing sales and NH housing trend data. He would send it to all of our sub-committee members prior to our 1<sup>st</sup> official sub-committee meeting.

We discussed having our first sub-committee meeting in early am on a Monday, after the next full MPAC meeting. Monday or Tuesday mornings worked best for all attending individuals.

Adjourned orientation of Housing sub-committee at 8:25 pm

Respectfully submitted,

Alan Croteau
