More on other side ➡

Permits expire six months after the issuance date if no work has commenced, otherwise permits are valid for one year after the issuance date.

Permits may be renewed for the minimum fee providing the Building Official receives a written request prior to the expiration of the permit.

A Surcharge shall be assessed where work begins prior to permit issuance:

- **1st Offense = 25% of the total cost of the required permits.**
- **2nd Offense = 50% of the total cost of the permit fees.**
- **3rd Offense and ALL subsequent offenses = 100% of the total cost of the permit fees.**

A minimum surcharge of \$50.00 shall apply to all the above conditions.
