New Year's Eve Celebration: Mark is trying to get some more lifeguards to work that

Bill Carpenter will be speaking to some potential donors. We need to see about having  
some lights near the crosswalk in front of the community center-perhaps the fire  
department can provide a light?? We might need some shuttle transportation from the  
savings bank if extra parking is needed.

We need a name for the event. "Finale 250<sup>th</sup>" has been suggested.
