Updates:

Denise: Calendar dates are complete and is still putting the picture pages together. Denise shared a couple of sample pages for the calendar. There is a concern that there seems to be no money forthcoming from the city to pay for the calendar. Nick will contact Mary and find out what is going on with the money for the printing of the calendar.

Bill Carpenter: Plans for the ball are moving along. A menu was not available for the meeting. The food and music will be from the timeline of 1914 to 1944. Plans are to have news announcements of important events during the timeline to be made throughout the evening. The date will be the beginning of March 2014.

Melissa: gave an update on the event at the Union Church for October 26, 2013. We are still hoping to launch the calendar that night.

David: The Hale family has been in discussion with David. They are discussing the options that they have and will get back to us when they have decided what they would like to do for the 250th.
