We were informed that the cost of police coverage at any event is \$45.95 per officer with no cruiser. A cruiser would cost \$45.00 for four hours.

Bill: Spoke to the Fire Department regarding the Christmas tree burn. The Fire department needs to check on the regulations for this event. It is possible that we will need a fire detail present during the event.

There seems to be no problem for the Fire Department to assist with moving the compressor for the Alumni Day display in Broad Street Park.

Dave: Spoke to Dave Hale. Dave Hale will check with his family about getting pictures for us to use for the 250th. Dave Hale has suggested a slide show of Claremont's history be shown at each event.

Bill: gave an update on the InkJet. The InkJet prints the t-shirts here but outsources the other items (cups, etc). The committee was asked if we wanted them for the 250th. Dave suggested that perhaps the Chamber could help with a presale.

The Logo:

There were two designs to choose from. The committee voted to accept both with some modifications to each one.

The one with the clock tower was chosen as the logo for all media and items that we fundraise with.

The other one was chosen for banners to advertise a 250th event. The logo would go on the bottom of this one.

Melissa will go back to the artist with the suggestions for modification.

Motion to accept the logo and event banner with modifications made by Dave Lucier.
Second: Vote: Unanimous
Dave will have a copy of the logo and banner in his store for the committee to look at during the week.

Dave: Presented the copy of the spreadsheet that he made for us to use for each event.

Bill will get an estimate for banners to go across Pleasant Street. He will also get an estimate for a banner (30" by 5') for the table that we will have at the compressor display during the Alumni Parade. Melissa suggested that we make sure that grommets be added to the banner.

Cindy: Wanted to know what we were going to sell at the Parade. Do we want magnets or buttons?

We will meet on May 20 for a short meeting to accept the logo and decide on magnets and/or buttons to sell as a fundraiser at the Alumni Parade. Bill will check on prices with online vendors and Melissa suggested that we check on Skyline.

Melissa: Shared with the committee that someone is interested in doing a book about Claremont with photos and we would share the profits with the author. We were reminded that we couldn't use photos taken later than 1938 without the consent of the owner. We need to be careful of eminent domain issues.

Motion: to adjourn
