

250th Committee Meeting

June 8, 2015 Visitor's Center

Minutes

Approved 7/13/2015

The meeting was called to order at 4:55PM by Melissa Richmond.

Present: Melissa, Bill B., Denise, Cindy, Nick

Mike Stringer offered to help hang the plaque on the base.

Kerry Gagnon said that he will donate "some" granite for the base. He has some granite slabs that will work for the sides. We will need to smooth the concrete first. Bill Binder will talk to Ernie Montenegro and show him the material which is located on Maple Avenue behind the old Goddard Bakery.

Kerry Gagnon's name should be on the plaque.

Ernie should talk to Carmine about the "four corner posts" for the base of the sculpture.

Mary Walter asked about when to expect payment for the fireworks for Arrowhead. Bill C. said that he will write a check. We still owe \$600.00.

Motion: To lower the prices of souvenir memorabilia as follows: calendars \$5.00, license plates \$10.00, T-shirts \$9.00.

Made by: Bill B., seconded by Melissa. Passed.

On June 2nd, Nancy Merrill, Melissa Richmond, Josh from Maker Space, and nine or ten people who were attending a NEFA meeting in Keene came to Claremont and went to the Common Man for dinner. They listened to the Claremont Suite, and saw some of the painted meters, which Bill Binder had brought for them to look at. They also viewed the sculpture after dark. They were very impressed with what they saw. A presentation can be viewed on their website-NEFA.

Motion: To adjourn: Made by Denise, seconded by Bill B. Passed.

Respectfully submitted: Cindy Landry
