Motion to accept the minutes of 7-14-14 made by Bill Carpenter Second: Bill Binder Vote: passed

Bill Binder took some pictures of the hands being welded onto the frame. Said it look real nice. Took some pictures to put onto E-ticker.

The 250th committee received \$5,000 from Connecticut River Bank and \$5,000 from Mascoma Bank with no restrictions and have placed the money into the 250th account.

No update on the Fireworks-Mark is not here today.

Birthday in the Bricks: Bill brought in a second design. The first sample without the leaves and add shopping to the banner was decided. The other side will be identical as first side but flip the background colors. Bill will go back to Skyline Designs with our decisions. The "Birthday in the Bricks" banner should be up before Aug. 1. The other banner will go back on the bandstand and not over Pleasant Street as previously.

Mr. Nick and the Dirty Trick will be the Blues band for the Birthday in the Bricks. Amusements are all set at this time.

The Ferris wheel will go in the bullpen and the kiddie rides in front of City Hall. The amusements will be in front of New Socials or by Sullivan Street. Bill Carpenter will be talking with Jane to finalize the contracts. Tabled: Broad Street Park events for the day. Short discussion: If a non-profit volunteers instead of cash payment, perhaps they can be given possible consideration of space somewhere outside of the park. This might be a possibility and will need to coordinate with Katy and Mark for spot.

Oct. 19th. Lighting of the Civil War Monument- the Old AG Edwards building on Crescent Street is available for us on that date. The owner will pay for food for an event we hold there. More discussion will be held later. Could have an open house to see Hale pictures, perhaps display the meters?? Auction the remaining six photos?

Oct. 26th. Post ceremony event: Thinking of having finger food instead of a dinner available for donors. Donors will be invited whether they donated in money or in kind. A list of donors is needed so that we can begin the process.

Interviews: Cindy Landry said that Les St. Pierre would love to do the interviews. Les will try to attend the next meeting to discuss how he is envisioning the process. Nick Koloski will supply beverages and snacks for the participants.

Nick has been in touch with NH Chronicles to try to get them to come and do a show here.

City Council will accept the money from Mascoma Bank for us. A letter was written by Alison Zito and edited by the committee to be distributed to the merchants. The letter is informing the merchants what is happening on Sept. 20th. It also states that

for a \$25.00 or more donation their business name will be included in our advertising and mentioned on our website.
