July 30, 2013

Minutes for the Airport Advisory Meeting of July 29, 2013

The meeting was called to order at 7:00 p.m. at the Claremont Municipal Airport by Chief Rick Bergeron. Also present were board members Joe Osgood, Dave Eno, Roger Hamel and board applicant Steve Keen.

The minutes from the April 29, 2013 meeting were reviewed by the board members present and accepted as read.

The board was apprised of the fact that nonresidents were not allowed to be on any city boards, but it would seem that the point might be moot, since Steve Keen is interested in serving on the board.

The board briefly discussed the continued high prices having to be paid for aviation gasoline from our supplier.

The manager advised the board that the Parks and Recreation Department would be using their bat winged mower to mow the larger sections of the airfield. They will also leave their brush hog off for a few weeks to allow Roger the opportunity to perform annual brush clearing.

The board examined the results of the State's pavement study and generally agreed with the conditions stated therein.

Questions and comments were entertained and the meeting was adjourned at 7:25 p.m.
