

McCutcheon Site Visit
492 Washington Street, Claremont NH
Monday May 15, 2017 6:00pm

MINUTES
Approved 6/15/2017

Conservation Commission Members Present:

Steve Wood, Eileen Skowronski, Scott Magnuson, Gary Dickerman

Mr. McCutcheon gave a brief history of the proposed project and guided the group along the planned driveway, pointing out approximate building and infrastructure locations. Questions regarding wetlands and drainage were answered in detail and the commission thanked Mr. McCutcheon for a most enlightening visit.
