Staff- Nancy Merrill

Motion to accept the minutes of October 3rd made by Deb Matteau and seconded by Eileen Skowronski.
Unanimous.

Additional facilities information is still coming in from the school district and Eversource.

Goals

The committee discussed goals for the chapter. They added action items from the different reports that had been received, taking into account the biggest challenges for each area.

Some of the action items include:

- Specific water & sewer line upgrades
- Fire department storage barn
- Police communication systems
- ADA accessibility in city hall
