Approved 11/22/2016

I. Roll Call

Members Present: Bill Kennedy, Scott Pope, David Messier, Richard Wahrlich, Abigail Carman

Absent: Kristin Kenniston

City Staff: deForest Bearse, Resource Coordinator

II. Review of Minutes – There were no minutes to review.

III. Old Business

IV. New Business

As this was the first meeting of the subcommittee, members took a few minutes to introduce themselves.

Mrs. Bearse described the process of updating the Historic Resources chapter and the roll of the subcommittee. She explained that any revisions made to the 2011 chapter must not conflict with the 2015-2016 Master Plan vision statement and must take into account the survey results from the public forum in March 2016. Beyond those guidelines, the subcommittee is free to revise the chapter in whatever way it feels is appropriate.

Mr. Pope asked how many of the goals and objectives (from the 2011 plan) had been completed. Since it was unknown, the committee started to review them to determine what might have been accomplished.

It was agreed that members of the committee would envision the current state of the City's historic resources and what things might be like in 5 – 10 years. Everyone is to send their thoughts via email to Mrs. Bearse, who will in turn, share them with the committee.

The committee asked Mrs. Bearse to research the Historic Resources chapter of Master Plans in other towns in New Hampshire.

The next meeting was scheduled for November 22, 2016 at 6:00 PM. The location will have to be confirmed.

Meeting adjourned at 8:25 PM.

Respectfully submitted by,

deForest Bearse

Resource Coordinator
