

---

**SEATBELT POLICY**

---

**Seatbelts shall be worn by operators and passengers at all times when operating or riding in any City owned vehicle or in your personal vehicle while conducting City business.**

**The following are the only recognized exceptions.**

- 1. While operating equipment without rollover protection cab.**
- 2. When operating equipment which is equipped with belts when a standing position is required, e.g., operation of grader and certain backhoe operations. When backhoes or similar equipment are to be operated from a sitting position for continuous period of time, belts shall be worn.**
