

Kickoff Meeting for the Whitewater Watershed Plan

In honor of the 100th anniversary of Claremont's Drinking Water System, come learn about the Whitewater Watershed, the source. The City of Claremont, Granite State Rural Water Association and NH Department of Environmental Services will provide an overview of the drinking water system, why it's important to protect the watershed, steps for creating a watershed management plan, and potential funding sources for projects. Let's celebrate together and learn how you can help!

Tuesday, October 1st 6:00-8:00 PM

Claremont Savings Bank Community Center—152 South Street, Claremont, NH

For additional information, please contact GSRWA at (603) 756-3670

Partial funding for this project is provided through a NH DES Source Water Protection Grant.
