

SEASONAL SWIM INSTRUCTORS – INDOOR & OUTDOOR POOLS

Claremont Parks & Recreation Department is seeking to fill the position(s) of Swim Instructor for the indoor pool.

Swim Instructors must be proficient swimmers. Since all swimming strokes are taught in class, instructors must be capable of demonstrating all swimming strokes to children of all ages. Other responsibilities include monitoring participant & pool safety and monitoring the locker rooms.

Selected candidates must successfully pass pre-employment requirements of a physical, drug screening, and criminal background search.

Wages start at \$8.75 per hour. Hours of work and location of swim instructors may vary depending upon the staffing and seasonal needs of the department.

CERTIFICATIONS:

- American Red Cross Water Safety Instructor (or equivalent) Certification required.
- Current certification in Red Cross Lifeguard Training (or equivalent) through the entire summer season (September 2009.)
- Current certification for American Red Cross CPR for Professional Rescuer (or equivalent) for the entire summer (September 2009)

Interested candidates must submit resumes and applications to the Human Resources Coordinator, 58 Opera House Square, Claremont, NH 03743, or by email to: hr@claremontnh.com. E.O.E.
