

**PLEASANT STREET REVITALIZATION PROJECT**

**CONSTRUCTION UPDATE**

**April 8, 2022**

Construction update for the week of 4/9/22 through 4/15/22

The City of Claremont's contractor, B.U.R Construction, will continue utility work on Pleasant St. On Monday April 11, 2022, Pleasant St. will be closed to through traffic to install multiple water line crossings within the work area, at the end of the workday through traffic will resume. Once the crossings are complete, shorter utility installations will take place for the rest of the week with through traffic resuming on Pleasant St. To facilitate the installations there will be impacts to the number of parking spaces available during working hours to maintain traffic within the work zone. **ALL BUSINESSES WILL REMAIN OPEN DURING THE CONSTRUCTION ACTIVITY.**

On Saturday, April 9, 2022, there is a scheduled water main shut down to replace aging valves and to tie-in the new water system to the existing water systems on Pleasant St. and Glidden St. This will require a water service interruption from 7:00 am to 5:00 pm. The affected areas are Pleasant St. from Glidden St. to Myrtle St. and on Glidden St. from Broad St. to Pleasant St. Businesses and residences will be affected in that area only and should plan accordingly. Formal notifications have been sent to the affected businesses and residences by the City of Claremont.
