

**PLEASANT STREET REVITALIZATION PROJECT**

**CONSTRUCTION UPDATE**

**May 19, 2022**

Construction update for 5/20/22 through 5/27/22

The City of Claremont's contractor, B.U.R Construction, will continue sidewalk and curb construction on Broad Street. On Pleasant Street the West side sidewalk and curb construction will continue with concrete placements. Existing sidewalk removal on the East side of Pleasant Street will begin 5/20/22, and once removed, the new electrical conduit and street light base installations will begin. There may be impacts to through traffic and the number of parking spaces available during working hours within the work zone on Pleasant Street. Utilizing the City of Claremont's public parking lots is encouraged. With the continued construction on Broad Street in and around the intersection with Glidden Street, traffic through the area will be affected due to lane closures within the work area. Slight delays should be expected. **ALL BUSINESSES WILL REMAIN OPEN AND ACCESSIBLE DURING THE CONSTRUCTION ACTIVITY.**
