

PLEASANT STREET REVITALIZATION PROJECT

CONSTRUCTION UPDATE

July 16, 2021

Construction update for the week of July 19, 2021, through July 23, 2021.

Tuesday July 20, 2021, Pleasant St. From Opera Square to School St. will be one way. Glidden St. from Pleasant St. to Broad St. will be one way. Temporary signals will be put into service at the intersection of Glidden St. and Broad St. which will allow left turns onto Broad St. from Glidden St. Construction signs will be utilized for guidance for the traveling public. There will be no on-street parking on Pleasant St. to School St, public parking will be available at the municipal parking lots, way point signage is in place for guidance to the lots.

Wednesday July 21, 2021, temporary watermain installation is scheduled to begin on Pleasant St.

Friday July 23, 2021, flow assessment testing will take place to locate building roof drains that outlet into the wastewater system. This test will utilize smoke being pumped into the wastewater system and a drone to visually confirm smoke emanating from building rooftops. Claremont Fire Department will be on-site to alleviate any concerns.

Below is a map showing the new traffic pattern. Look for weekly construction updates to stay informed on the schedule.
