

City of Claremont, New Hampshire Position Description

Position Titled:	Call Fire Lieutenant	Union/Merit:	Merit
Reports to:	Fire Chief	Grade Level-Points:	4-B
Department:	Fire	Revised/Updated:	04/10/05
FLSA Status:	Non-Exempt		

Job Summary

The Call Lieutenant supervises the actions of individuals under the direction of the Call Captain. He/she shall ensure conformance with all department rules, regulations, policies, and assignments. Duties shall consist of, but are not necessarily limited to, a number of emergency services responsibilities necessary to the stability of safety in the community.

Essential Job Functions (Except as specifically noted, the following functions are considered essential to this position. The listed examples may not include all duties found in this class)

1. As assigned, performs clerical duties including making out reports, roll calls, or any reports prescribed by CFD.
2. When responding to emergency calls, shall report directly to the Staging Area and notify the Staging Officer of arrival.
3. As assigned, instructs subordinates in the operation of a variety of firefighting tools, power equipment, emergency medical equipment, and other related firefighting and rescue equipment.
4. Able to operate and identify safety/operational parameters for all CFD equipment.
5. Shall regularly participate in all assigned department activities, projects, and drills.
6. Shall attend regularly scheduled monthly company training, meetings, and all monthly call department training sessions.
7. When responding to fire alarms, shall operate auxiliary equipment, lay and connect hose lines, maneuver nozzles, direct fire streams, raise and climb ladders, use chemical extinguishers, bars, hooks, lines, and other equipment in a prescribed fashion, ensuring that such actions are consistent with the instructions of the fire ground Incident Commander, and shall perform salvage operations.
8. Shall willingly assist other companies and permanent shift personnel in their assigned Tasks.
9. When assigned and/or following fires, shall assist in the cleaning, restocking and restoring all apparatus and equipment including fire hose.

City of Claremont, New Hampshire Position Description

Licensing & Certification

Must maintain a valid motor vehicle operator's license.

Tools & Equipment Used

General fire-issued equipment such as protective vest/gear, restraints, radio, vehicle, etc..

Typical Work Surface(s): Wood, tile, cement and carpeted floors, flat and pitched roofs, and varied out door terrain.

Typical Controls & Equipment: Hand tools, power equipment, hose streams and self contained breathing apparatus.

Typical Work Environment: Inside: 40% Outside: 60%

Summary of Occupational Exposures: The incumbent is exposed to different work environments, and could be faced with any number of hazards. Responds to emergency and non-emergency calls. Works in extreme temperatures with protective gear weighing in excess of 50 pounds. Receives supervision through the chain of command in the Incident Management System. Due to the nature of the work environment, it is difficult to predict hazards exposure. The incumbent is exposed to occupational risks typical of a firefighter, working alongside said members as necessary in a small department. These risks include the products of combustion, infectious disease exposure, fall hazards, entrapment, atmospheric and products hazards, life safety exposure, and heavy equipment hazards.

The incumbent's working conditions are typically high stress and noisy as they are responding to an emergency situation.

Physical Activity Requirements

Primary Physical Requirements

Other Physical Considerations

LIFT up to 10 lbs.: Frequently required

Twisting: Frequently required
