

Seeking Board Members

The **Transfer Station Ad Hoc Committee** has been re-activated by the **City Council**. This four-member board is charged with studying the operational efficiencies and the advantages and disadvantages of privatization. The term for any seat on this committee is for the duration of the study. Members will be appointed by the Mayor. For further information, please contact Resource Coordinator, deForest Bearse at dbearse@claremontnh.com or at 504-0341.

Applications are available at
