

## Volunteers Needed

Did you know that the City of Claremont relies on more than 20 volunteer boards, commissions and committees to help carry on the business of the City? Volunteers are involved in a wide variety of activities from planning to housing. If you have a bit of extra time or are looking for a community service opportunity or just a chance to be more involved in the operations of the City, perhaps you might consider volunteering for a seat on one of the City's boards and commissions. We are always looking for fresh perspectives and new ideas, and you may have just the set of skills we need! Over the course of the next few months, we will be highlighting each of the volunteer boards and commissions. We will explain the role of each board and what the time commitment would be. If you see something that interests you (and we certainly hope you will!), call the Planning and Development Office at 504-0341 for more information and an application. You can also learn more about our boards and commissions by visiting the City's website at [www.claremontnh.com](http://www.claremontnh.com) and clicking on "Government" and then "Boards and Committees". We look forward to hearing from you!
